Calm Talk Mental Health Platform

Therapist Onboarding, HR Administration, and Compensation Guide

1. Onboarding

Required Onboarding Documents

To maintain clinical standards and regulatory compliance, therapists must submit valid copies of the following documents during registration:

- **Government-Issued Photo ID:** Valid Passport, Driver's License, or National Identification Card.
- **Professional License:** Active mental health license (e.g., Licensed Clinical Psychologist, LMFT, LCSW, LPC) issued by the relevant state or national regulatory authority.
- **Academic Credentials:** Master's or Doctoral degree certificate in psychology, counseling, social work, or a related mental health field.
- **Proof of Malpractice Insurance:** Current professional liability/malpractice insurance policy certificate meeting minimum coverage requirements.
- **Updated Curriculum Vitae (CV):** Documenting clinical experience, specialties, and professional background.
- **Direct Deposit / Banking Information:** Voided check, official bank statement header, or verified bank document containing account holder name, IBAN/Account Number, and SWIFT/Routing code.

Therapist Onboarding Process

1. **Registration & Document Submission**
    - Complete the initial registration form on the Calm Talk Provider Portal.
    - Upload all required identity, academic, clinical licensing, and financial documents.
2. **Credentialing & Background Verification**
    - The Calm Talk Operations & HR Team verifies license validity with state/national licensing boards.
    - Background checks and credential verification are conducted by compliance staff.
3. **Clinical Orientation & System Walkthrough**
    - Complete interactive training modules covering telehealth privacy standards (HIPAA/GDPR compliance).
    - Review EHR clinical documentation standards, platform workflow, and emergency risk protocols.
4. **Profile Activation & Schedule Setup**
    - Set active clinical hours and define recurring availability in the integrated calendar.
    - Highlight primary practice areas, therapeutic approaches, and target demographics.

- Finalize setup for client matching.

Expected Onboarding Timelines

Stage	Timeline	Key Milestone
Initial Document Review	Days 1–3	Compliance team validates submitted credentials and credentials integrity.
Verification & Background Checks	Days 4–7	Professional license verification and background check processing.
Platform Orientation & Training	Days 8–10	Completion of platform modules, HIPAA training, and portal walkthrough.
Account Go-Live	Days 10–14	Profile activation on the public directory and commencement of client matching.

Profile Activation Process

Once credentialing and background checks clear successfully, the therapist receives an email notification with login credentials for the Calm Talk Provider Portal.

To complete activation:

1. **Bio & Approach:** Log into the portal and write a professional biography detailing therapeutic approach and clinical philosophy.
2. **Specialties & Modalities:** Select clinical specialties (e.g., anxiety, depression, trauma), treatment modalities (e.g., CBT, EMDR, Psychodynamic), and language proficiencies.
3. **Availability:** Set recurring availability slots in the portal schedule.
4. **Payout Configuration:** Verify bank details and submit for final account activation.

Profiles are activated in the live client directory within 24 hours of submission.

Resubmission Rules

If a submitted document is rejected due to expiration, illegibility, or missing information:

- **Notification:** An automated email and portal alert detailing the specific reason for rejection is issued within **48 hours**.
- **Submission Window:** Therapists must upload corrected or updated documents via the

Provider Portal within **7 business days**.

- **Non-Compliance:** Failure to resubmit required documentation within **14 business days** results in temporary application deactivation, requiring the onboarding process to be restarted.

2. HR & Administration

Certificate Request Processes

Employment Certificate Process

1. Navigate to **Provider Portal > HR Support > Request Document**.
2. Select **Certificate of Employment**.
3. Specify the receiving authority or purpose (optional).
4. The requested document is generated digitally and sent to the registered email within **3 business days**.

Salary / Earnings Certificate Process

1. Navigate to **Provider Portal > HR Support > Request Document**.
2. Select **Salary / Earnings Certificate**.
3. Choose the required date range (e.g., last 3 months, past 12 months, calendar year).
4. The HR Operations team generates a verified earnings statement within **3–5 business days**.

Contract-Related Procedures

- **Contract Amendments:** Any modifications to contract terms, fee structures, or clinical scope require a formal written addendum executed via DocuSign.
- **Contract Renewal:** Standard service agreements undergo annual review 30 days prior to contract expiration.
- **Termination & Offboarding:** Therapists must provide a minimum **30-day written notice** prior to terminating their agreement to ensure safe transition of active clients and continuity of care.

Information Update Procedures

Bank Information Update Procedure

1. Go to **Account Settings > Billing & Payouts**.
2. Input updated account details (Bank Name, Account Holder, Account/IBAN Number, Routing/SWIFT Code).
3. Complete Two-Factor Authentication (2FA) verification.
4. Upload supporting verification (voided check or official bank letter matching legal name).
5. **Notice Period:** Changes must be submitted at least **5 business days prior** to the next billing cycle cutoff to apply to the upcoming payout.

Personal Information Update Procedure

- **Legal Name / Identity Changes:** Upload official legal documentation (marriage certificate, deed poll, or updated ID) under **Account Settings > Legal Identity**. HR reviews and updates records within 48 hours.
- **Contact & Address Updates:** Phone numbers, mailing addresses, and emergency contact details can be edited directly under **Account Settings > Profile** and take effect immediately.

HR Contact & Escalation Procedure

For administrative, contractual, or compliance matters, adhere to the following contact path:

Level	Contact	SLA	Purpose
Tier 1 (Support Desk)	hr@calmtalk.com / Portal Ticket	24 Hours	General administrative questions, document requests, basic portal assistance.
Tier 2 (HR Specialist)	HR Operations Lead	48 Hours	Payment discrepancies, contract amendments, compliance questions.
Tier 3 (HR Management)	Head of Clinical HR	72 Hours	Formal grievances, legal inquiries, contract terminations.

3. Payment & Compensation

Payment Schedule & Process

- **Payout Frequency:** Bi-weekly (every two weeks on alternate Fridays).
- **Payment Cycle Cutoff:** Midnight (11:59 PM UTC) on the Sunday preceding payday.
- **Disbursement Method:** Direct Bank Transfer (ACH, SEPA, or International Wire) via secure automated platform processors.

Payment Calculation Rules

Therapist compensation is calculated based on completed session units and contract tier

structure:

$$\text{Total Earnings} = (\text{Completed Sessions} \times \text{Base Rate}) + \text{Incentive Multipliers}$$

- **50-Minute Individual Session:** Standard hourly unit base rate.
- **80-Minute Extended/Couples Session:** $1.5\times$ base rate.
- **Asynchronous Messaging Support (Optional):** Flat monthly rate per active assigned client.

Payment Statement Process

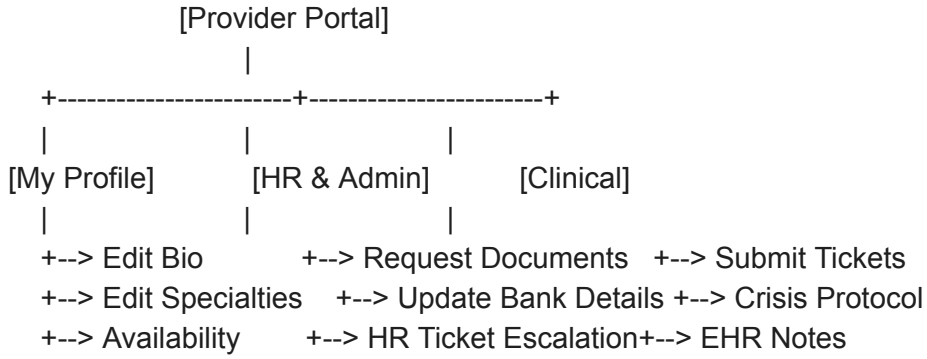

1. Detailed payment breakdowns are made available under **Provider Portal > Financials > Statements**.
2. Itemized statements populate 2 days prior to each scheduled disbursement date.
3. Statements include session dates, client identifiers, session durations, no-show compensations, and applicable administrative adjustments.
4. Annual earnings summaries (e.g., 1099/W-2 equivalent forms) are archived and downloadable on demand.

Cancellation & No-Show Payment Policy

- **Client Late Cancellation (< 24 Hours):** The therapist receives **100%** of the standard session payout.
- **Client No-Show:** If a client fails to attend within 15 minutes of session start time, the therapist logs the no-show in the EHR portal and receives **100%** of the session fee.
- **Therapist Cancellation:** Must be initiated at least 24 hours prior to session start. Unexcused late cancellations by therapists (< 24 hours) may incur quality warnings or administrative fees.

4. Therapist-Specific Procedures (Quick Reference)

System Structure

Operational Quick Guide

- **How to Update Profile:** Go to **Provider Portal > My Profile**. Edit profile information, specialties, or photo. Click **Save**. *Note: Adding new clinical specialties requires credentialing re-verification.*
- **How to Request Account Changes:** Submit a request through **Help & Support > Profile & Account Changes**.
- **How to Request Official Documents:** Navigate to **HR Hub > Document Requests**, select the desired document template, specify date ranges if necessary, and submit.
- **How to Contact HR:** Send an email to hr@calmtalk.com or open a support ticket under **HR & Administration** inside the platform dashboard.
- **How to Request Support:**
    - **Administrative Support:** Log a ticket via **Help & Support > Administrative**.
    - **Technical Support:** Email techsupport@calmtalk.com or use the in-app chat.
    - **Clinical & Crisis Support:** For client crisis situations, use the red **Emergency Escalation Button** inside the live session interface for immediate routing to the 24/7 Clinical Risk Team.
